Over 80 reports processed by the bureau from 16 through 19 January were carried on the Wire Service for Headquarters consumers. + VIDEO SUPPORT FOR NESA - At the request of Office of Near Eastern and South Asian Analysis, the FBIS Television Center reviewed television video of Palestinian disturbances on the West Bank and in the Gaza Strip for a briefing being prepared by NESA. The Television Center's video editor used reports from the Center's long-play daily recordings from Soviet, French, UK, Italian, and other television sources to produce a 30-minute videotape showing highlights of the riots and Israeli reaction to them.
